Industry Attendee Breakdown, 2023

Percentage

* Industry members includes suppliers, manufacturers, business service professionals, and investors

Try Swedish at Expo West 2024

- Business Sweden will organize our **fourth Try Swedish pavilion** at Expo West as a result of the incredible attention and impact of the pavilion
- After a series of successful shows and high interest for 2024, **Try Swedish is reaching out to companies in advance** to ensure we have the appropriate number of booths to meet the demand
- Participating in the Try Swedish pavilion is a **cost-efficient** way to secure a booth at this leading trade show thanks to our **subsidized fee** for booth space and construction costs
- In turn, the Try Swedish platform is a proven concept to attract a larger audience **and leverage the Swedish presence** at the trade show, allowing Swedish brands to showcase their products and interact with key US buyers and stakeholders
- Top buyers at the Expo West include **Amazon, Costco, Kroger, Safeway, Whole Foods, Trader Joe's, Publix** and more!

Each booth space is 3m x 2m (10ft x 8ft) with the option to purchase up to two booths

Construction & Design

- Business Sweden will manage the construction of the pavilion
- Participating companies can show up at the trade show the day of the show and their booth will be ready for them
- The cost of the Try Swedish Pavilion includes the construction fees for the standard Try Swedish booth including a customized backdrop and counter with your company's artwork
- Companies can request additional customization for their booth; construction fees for any additional customization and/or furniture will be billed directly to the company
- The Try Swedish pavilion participation also includes support with logistics, virtual platform and key event identification during the show

Past Try Swedish pavilion exhibitor testimonials

KOLSVART

"We are extremely happy about joining the Try Swedish pavilion at Expo West. Participating enabled us to connect with new customers at a scale I've never experienced before. None of this would have been possible without the support of Business Sweden."

JONATHAN ROOS
CEO, KOLSVART

PUREWELL

"Vi är helt överväldigade över responsen och allt stöd vi fått från Try Swedish. De har hållit oss i handen, från att vi bestämde oss för att vara med och genom hela mässan. På mässan såg Try Swedish till att vi fick träffa stora inköpare, distributörer, finansiärer och andra nyckelpersoner. Att ordna allt detta själva hade varit helt omöjligt."

MY WISÉN AND HENRIK BYRSJÖ
CEO AND PDM*, PUREWELL

N!CK'S

"We went to Expo West and people came to us from all angles of the ice cream business: contract manufacturers, brokers, suppliers, customers, influencers. From about 300 business cards, we got 10 or 20 extremely good connections who we are now working with."

NIKLAS LUTHMAN
FOUNDER, N!CK'S

* Product and Development Manager

At Expo West 2022 and 2023, we hosted Swedish Fikas that generated a lot of buzz

Fika [Fee-ka]

Noun, Verb

An ancient Swedish ritual of gathering to drink coffee and/or eat something sweet together.

Legend has it is a major reason for Sweden's impressive scores in productivity, happiness, and collaboration indexes.

The Swedish Fika brought key stakeholders to the Try Swedish Pavilion!

Terms and Conditions (1/2)

BUSINESS SWEDEN'S GENERAL CONDITIONS

- **General Terms and Conditions:** Business Sweden's General conditions for participation in trade and invest activities, which can be found on the InvitePeople platform page under "General terms and conditions" titled "General Terms and Conditions for Participation in Joint Trade and Invest Activities," govern the performance of this project
- **Booth Space Registration and Availability:** In order to secure booth space for Expo West 2024 within the Try Swedish pavilion, the client is required to reserve booth(s) in advanced by signing up through the InvitePeople platform until June 16, 2023. Try Swedish will only secure booths in advance to ensure the right number of booths are purchased and confirmed for the 2024 pavilion. Additional booths through the Try Swedish pavilion will not be offered or become available at a later date
- **Company Cancellation or Withdrawal:** If for whatever reason a confirmed company is unable to attend Expo West 2024, the booth space registration is considered binding, and the company will be charged in full for the booth space. If additional items (e.g., refrigeration, freezers, wall graphics, logos, material handling, etc.) has also been ordered, Try Swedish reserves the right to invoice the company for the ordered items
- **Try Swedish Cancellation or Withdrawal:** If for whatever reason Try Swedish does not attend Expo West 2024, Try Swedish will notify confirmed companies by December 31, 2023 and companies will not be charged for the reserved booth space
- **Payment:** The fee will be invoiced upon confirmation and is non-refundable. Invoicing will be done in SEK, based on the official exchange rate applied on the invoice date. Payment terms are 30 days after the date of invoicing. VAT will be added when applicable. Any additional costs or expenses to be paid by the client will be verified with the client in advance

DETAILS SWEDISH PAVILION

- **Included in price Pavilion:** Allocated booth space within the Try Swedish branded pavilion (2M x 3M /8ft x 10ft). The pavilion will be in the North Hall. The level and booth number will be decided upon confirming the number of booths to be ordered, which is based upon company interest prior to June 16, 2023. Construction costs and Try Swedish design of the booth include some company specific artwork. Additional customization and branding beyond the Try Swedish booth design can be done for an additional fee in accordance with the construction company after the design has been approved by a Try Swedish representative. At least two Try Swedish representatives will be working the booth during the entire expo
 - **Not included:** Flights, local transportation, food and accommodation, customized booth construction beyond initial sketch, additional furniture (beyond 2 counters and 1 serving cart; bookshelves may be substituted for another piece of furniture), additional lighting or electricity (beyond included booth lighting and one outlet)
 - **Pavilion Participation fee:** The participation fee is fixed, and 100% of the fee will be invoiced upon confirmation and is non-refundable.
-

Terms and Conditions (2/2)

ADDITIONAL ACTIVITIES TO PREPARE FOR EXPO WEST PAVILION* (OPTIONAL)

- Potential buyers expect you to have a solid market understanding and a go-to-market strategy for your products in the US when approaching you. Business Sweden can provide comprehensive market research (customer segments, preferred retail channels, competitors, geographies etc.) and outline a market entry strategy to prepare you for the expo
 - FDA compliance review **SEK 110,000+**
 - Market research in select product segment **Pricing upon request**
 - Partner mapping and search (e.g., broker, distributors) **Pricing upon request**

**Subsidies available for eligible companies*

DETAILS ADDITIONAL ACTIVITIES (OPTIONAL)

- **Included in market research:** Analysis of the US market for select product segment, including consumption trends, competitive landscape, pricing, stakeholder mapping, key geographies/demographics, and major sales channels. Buyers are expecting companies to have this information at hand when approaching exhibitors at the expo.
- **FDA compliance review:** Review of ingredients, labels, food safety plan, FDA registration set up, incl. US agent to ensure full compliance with FDA regulations prior to approaching US buyers at the trade expo. Individual consultations and training on what US buyers will expect you to know and documentations to have in place prior to meeting with them at the Expo.
- **Additional activities fee:** In exchange for the services provided as Additional Activities, Business Sweden is entitled to an estimated fee exclusive of VAT and similar surcharges. VAT will be added when applicable.

For these projects Business Sweden and the Company shall enter into a Consultancy Agreement and Business Sweden's General Terms and Conditions for Assignments shall govern the performance of these projects.
