

# Swedish-Polish Business Summit – Exclusive Study Visit to Siemens Energy

*Experience 110+ years of innovation in cutting-edge power technology at one of Europe's leading energy production hubs.*

Time	Event
08:00 – 10:00	Transportation from Stockholm to Finspång (preliminary meeting point in Stockholm is Hilton Stockholm Slussen)
10:00 - 10:40	<b>Welcome and introduction to Siemens Energy AB</b> Registration and safety briefing
10:40 - 12:15	<b>Production Facility tour</b> including <ul style="list-style-type: none"> <li>◆ <b>Zero Emission Hydrogen Test Centre (ZEHTC)</b> Step into the future of energy at our circular demonstration plant. Discover how gas turbines integrate with green hydrogen, renewables, and energy storage to create a flexible and sustainable energy system.</li> <li>◆ <b>Gas Turbine Test &amp; Assembly Facility</b> Get up close with the SGT-800 and other turbines in their final stages of assembly before global deployment. Witness precision engineering and world-class manufacturing in action.</li> <li>◆ <b>Additive Manufacturing Workshop</b> Explore cutting-edge metal 3D printing technology that accelerates innovation, shortens time-to-market, and enables rapid upgrades of existing assets.</li> </ul>
12:15 - 12:30	<b>Step Into History – Where Innovation Began</b> Visit to the historic Finspång House and uncover 400 years of industrial heritage that laid the foundation for world-leading gas turbine innovation.
12:30 - 13:30	<b>Lunch</b> in the Gallery of Finspång House
13:30 - 14:00	<b>SGT-800 – The world's most advanced and versatile industrial gas turbine</b> , engineered for high efficiency, broad operational flexibility, and proven market leadership across diverse applications
14:00 - 14:30	<b>Fuel decarbonization</b> - Current developments of gas turbine Green Fuel capabilities addressing decarbonized and sustainable energy systems
14:30 - 15:00	<b>Q&amp;A and summary of the day</b>
15:00 - 15:15	<b>Farewell &amp; Departure</b> Enjoy light refreshments before heading out from Finspång to catch your flight, e.g., to Warsaw (ARN–WAW) at 19:30.
